

How to Determine Your Zone

Notice on the map (page 7) that the 10-mile area has been divided into zones. The number by the zone letter tells the distance (in miles) between that area and the plant.

Government officials will give instructions on which zones are affected and what actions should be taken. You should know the zone in which you live and work.

Zones	Evacuation Routes	Reception Centers
A	Evacuation Route 2 or 3	Burke County High School Southside Drive Burke County, GA
B-5	Evacuation Route 3 or 4	
C-5	Evacuation Route 2 or 3	Burke County High School Southside Drive Burke County, GA
D-5	Evacuation Route 2	
E-5	Evacuation Route 1 or 2	Burke County High School Southside Drive Burke County, GA
F-5	Evacuation Route 1 or 2	
B-10	Evacuation Route 4	Burke County High School Southside Drive Burke County, GA
C-10	Evacuation Route 3 or 4	

Zones	Evacuation Routes	Reception Centers
D-10	Evacuation Route 2, 3 or 4	Burke County High School Southside Drive Burke County, GA
E-10	Evacuation Route 1, 2 or 3	Burke County High School Southside Drive Burke County, GA
F-10	Evacuation Route 1	
G-10	Evacuation Route 5 Cowden Plantation	South Aiken High School 232 E Pine Log Road Aiken SC, 29803 Aiken County
H-10	Evacuation Route 6 Creek Plantation	Allendale-Fairfax High School 3581 Allendale-Fairfax Highway Fairfax, SC 29827 Allendale County
Savannah River Site	If directed north on South Carolina 125 to Highway 63, take Evacuation Route 5. If directed south on South Carolina 125, take Evacuation Route 6.	South Aiken High School 232 E Pine Log Road Aiken SC, 29803 Aiken County
		Allendale-Fairfax High School 3581 Allendale-Fairfax Highway Fairfax, SC 29827 Allendale County
